Large basin with ring handles Khorasan, 11th–12th CE
Copper alloy; cast
Size (cm): h. 16; d. 54.5

Large basin with slightly rounded base, conical wall, broad everted rim. On rim: four incised roundels.

Cat. No. M21

HNM 03.12.86b
Large basin with ring handles Khorasan, 11th–12th CE
Copper alloy; cast
Size (cm): h. 19.5; d. 60

Large basin on flat base with slightly curved wall, everted, broad rim. Two ring handles.

Cat. No. M22

HNM 03.12.86c
Large basin with ring handles Khorasan, 11th–12th CE
Copper alloy; cast
Size (cm): h. 23.5; d. 71

Large basin on flat base with slightly curved wall, everted, broad rim. Two ring handles.

Cat. No. M23

HNM 03.13.86a
Large basin with four ring handles Khorasan, 11th–12th CE
Copper alloy; cast; incised
Size (cm): h. 20; d. 83
Large basin with flat base, conical wall, broad horizontal rim. Rings of four ring handles missing. Incised decoration on rim. Two rectangular cartouches placed opposite each other, the larger cartouche (20 x 6.5 cm) probably carrying an inscription, the smaller cartouche (13 x 6.5 cm) showing wavy lines and circles. In the rectangular field: two medallions, rather crude incised vegetal motifs. On outer wall: zigzag lines in relief, extension not clear due to corrosion. On the bottom: one centrally placed six-leaved rosette framed by double line. Three further rosettes regularly placed around the rosette, four-leaved, framed by double-line.
